

...where growth, recognition, and development of lacrosse is used as a means to encourage sportsmanship, character, self-confidence, leadership and responsibility.

Indian River Lacrosse Association

Over the past four years lacrosse has grown in popularity among local student athletes and their families. And, while the passion for the sport was gaining momentum, playing fields became a challenge. In early 2013 the Indian River Lacrosse Association, Inc. (IRLAX) was formed to address these needs. Fortunately, through a unique partnership with county government and volunteer efforts for pro-bono design and engineering, a plan materialized, and we are pleased to have four new fields that opened in the south part of the county in August 2013. These multi-purpose fields are a second home to hundreds of children with a passion for not only lacrosse but many youth recreational sports. In addition to the fields, the South County Park also includes tennis and basketball courts, as well as a well-equipped playground.

Mission

The Indian River Lacrosse Association will promote the growth and development of lacrosse for student athletes regardless of financial means. IRLAX shall encourage sportsmanship, character, self-confidence, leadership and responsibility.

Vision

The Indian River Lacrosse Association strives to provide a nationally recognized lacrosse program that will support and promote growth and development of youth lacrosse.

Community

IRLAX is proud to have multiple lacrosse programs for boys and girls in various age groups. These groups include recreational leagues and travel teams, some of which have gone on to win numerous tournaments already.

We need the support of the entire community so that we may continue to maintain the playing fields at South County Park and provide scholarship opportunities and equipment to families with financial barriers.

Sponsorship Opportunities

Complex Sponsor \$25,000 (for 5 years)

Field sign, recognition listing and link on IRLAX website
One sponsorship opportunity available

Field Sponsors \$10,000 (for 5 years)

Field sign, recognition listing and link on IRLAX website

Concession Sponsor \$2,000 (for 1 year)

Wall sign, recognition listing and link on IRLAX website
One sponsorship opportunity available

Corporate Sponsor \$500 (for 1 year)

5' x 3' field banner, recognition listing and link on IRLAX website

Sign Sponsor \$250 (for 1 year)

3' x 2' field banner, recognition listing and link on IRLAX website
